

**AND THE ANGEL SAID
"LET THERE BE PEACE ON EARTH"
CHRISTMAS 2003**

KIT SUPPLIES:

Angel is worked entirely in 1/16th Ribbon #3221 on # 18 Mono Canvas in Victorian Green using a #22 Tapestry needle. A small piece of coloured 1/16" ribbon is used for the sash at the waist.

Use a trolley needle to make the hole larger where so many of the threads are entering the same space. Use the laying tool for all the stitches. Do not carry threads from wings or neck to head and halo. Please work each section separately. Find the centre of the canvas in both directions. Start with number 1. Yes, they are very long stitches.

Waistband can be worked in 1/16" Ribbon 3321
Or a contrasting colour of 1/16" ribbon.
